

Kick-off meeting

The kick-off meeting of ADD-ON_SKILLS project - Advanced Digital Design course ON modern buildings developing SKILLS for young engineers – took place 7 and 8 June 2021. Because of the COVID-19 pandemic situation the meeting was held on-line.

All Institutions coordinators took part in it. Bialystok University of Technology was represented by the ADD-ON_SKILLS Project Coordinator Dorota Krawczyk, while Vilnius College of Technologies and Design by Airida Tyliene, Rezekne Academy of Technologies by Aleksejs Zorins, University of Cordoba by Antonio Rodero Serrano, University of Florence by Vincenzo Di Naso and PTIZB Polish Association by Nina Szklennik. Moreover, teachers from HEIs teams and members of the administrative staff involved in the project took part in discussions. The aim of the meetings was to discuss organizational and substantive issues. We made the distribution of tasks between teams consisting of teachers representing all partner HEIs, who will work on the results of intellectual outputs, and agreed methodology of work for next weeks.

The next virtual coordinators meeting will take place 8th July 2021, while next TPM is planned in March 2022 in Florence.
